

*Dear Prospective Corpus Christi Catholic School Family,*

*We have educated our children at Corpus Christi (previously Holy Trinity Catholic School) since 1992. The youngest of our eight children is entering 6<sup>th</sup> grade this year.*

*There are several reasons why we feel blessed that our children have attended Corpus Christi. First and foremost, they are educated in the Catholic faith every day. The atmosphere at the school is one of sharing our Catholic vision for raising children to be true followers of Christ.*

*The teachers, staff and parents work together as a team to provide an environment that is focused on helping the students grow academically, emotionally, physically and spiritually.*

*We have seen the school grow and change over the past seventeen years, staying up-to-date with curriculum changes, enlarging the computer and foreign language programs and expanding the music program to meet the needs of today's students.*

*The broad range of extracurricular activities offered at all grade levels allows the students to pursue academic, athletic, service-oriented and social interests throughout the year.*

*We feel blessed to be a part of Corpus Christi Catholic School and we couldn't be happier with the Catholic education that our children are receiving.*

*John and Kathy Wieland*
